

Project Title:

Landover Hills Municipal Data Integration into the Maryland Open Data Portal

Date:

Apr 28, 2025

Group Members:

Zulykath Lucero, Shishir Poreddy, Ruth Ayele, Arafat Bhuiyan, Avindra Mahesh, Daniel Araj

- What has the team accomplished since the last time you met with the instructional team?
 - We have made progress in trying to implement a backend to the municipality's website.
 - We are making progress on all of our deliverables and will be ready to show our progress in the final class presentation.
- What is the team hoping to accomplish in the next two week sprint?
 - We are hoping to accomplish all of our deliverables in the next two weeks.
 - We are hoping to have a fully prepared final presentation to show for both our clients and the class.
- What barriers or challenges has the team encountered?
 - We have had some challenges regarding implementing a live dashboard using Tableau into the municipality's website.
 - We have also had challenges with trying to get into contact with Maryland Open Portal.
