Key Questions for the Client

Introductory Questions:

☐ Why is it important that Landover Hills contributes to the Maryland Open Data Portal?

☐ Is there anything you would like us to know about Landover Hills in particular before we begin the project?

The current state of Landover Hills Data: Zulykath

☑ ~~What municipal data does Landover Hills currently collect?~~

☑ ~~What systems and databases are currently used to store, manage, and maintain the city's data?~~

☑ ~~In what formats is the data currently stored (CSV, Excel, database, PDFs)?~~

☑ ~~What kinds of data does Landover Hills currently share with the public?~~

☑ ~~How does Landover Hills currently publish its data to the public?~~

☑ ~~Who oversees data collection and management?~~

☑ ~~Are there other departments or teams that should be involved in this integration, and how do they currently collaborate on data management?~~

☑ ~~What challenges currently exist in organizing or sharing Landover Hill's data?~~

☑ ~~Are there any known gaps or inconsistencies within the dataset currently?~~

Privacy and Security Concerns: Shishir

☑ ~~Are there privacy or security concerns about public data?~~

☑ ~~Are there any current data security protocols in place that we should be made aware of~~

☑ ~~Are there any internal policies or regulations that would classify certain data as sensitive information to be shared?~~

Stakeholders: Ruth

- ☐ How does Landover Hills currently interact with the Open Data Portal? (Have there been attempts to contribute in the past?)
- ☐ Are there any other local groups in the community who request data frequently, which would make them ideal users for the open data portal?

Future of this project: Avindra

- ☑ ~~As far as deliverables are concerned, would you need to receive documentation specifically to be used as training material for your staff?~~
- ☑ ~~How will success be measured for this project, apart from the deliverables outlined, what success metrics do you envision to track the project's progress?~~
- ☑ ~~How frequently will the data from Landover Hills be updated or is that completely up to us to give suggestions?~~
- ☑ ~~How frequently will you want to meet and check in on this progress? (Will that be over email or Zoom meetings)~~
